We would truly appreciate 100% participation on this fundraiser. Fruit is a product everyone can use. Students can ask teachers, custodial staff, administrators, bus drivers, cafeteria staff and office staff. Buy gifts for co workers, hairstylists, or anyone that impacts your life. Everyone can always use a small box of fruit as a thank you gift. It is not too hard to sell a bag or box of fruit—*don't we all need some fruit at home?*

Prizes for the top 2 sellers!!

No Cash at turn in please. We would prefer to not have students being responsible for cash. If it is possible please replace the cash with a personal check.
