

## Major Scale Performance

All Students will play major scales from the Foundations book. These may be played on your own time before the test day or in class on the day the assignment is due. Any scale may be played ahead of the time table but you must stay in line with the schedule provided (you can't skip a scale or substitute one). Honors A/B All forms of minor are due the Monday or Tuesday following the major scale test, Monday if in session and Tuesday if we are not in school.
